PROFILE

Dedicated Information Technology undergraduate with experience in web development, programming, and database technologies. Seeking an internship or entry-level opportunity to develop my technical skills, contribute to real-world projects, and create reliable software solutions using modern technologies.

EDUCATION

BSc (Hons) in Information Technology Specializing in Information Technology **2023– Present**
Sri Dharmaloka College - kelaniya
O/L - A2 B4 C3 (2019)
A/L Commerce Stream - A1 B2(2022)
Certificate Course in English - University of Colombo

TECHNICAL SKILLS

- **Programming Languages:** Java, JavaScript, Python, PHP, C, C++
- **Web Technologies:** HTML5, CSS3, React.js, Node.js, Express.js, Bootstrap, RESTful APIs, Spring Boot
- **Databases:** MySQL, MongoDB, Mongoose
- **Software Development Methodologies:** SDLC, Agile, Scrum
- **Testing & QA:** Manual Testing, Test Documentation, Test Case Writing, Test Scenario Writing, Bug Reporting, Test Execution, API Testing
- **Data Analytics:** SQL, Data Cleaning, Data Visualization, Microsoft Excel
- **Version Control:** Git, GitHub
- **Tools:** Postman, Playwright, Visual Studio Code, XAMPP
- **Other:** Nodemailer, QR Code Integration, Email Automation

PROJECTS

EduTapped – AI-Powered Student Learning Platform (Material & Schedule Management)

Technologies: React.js (Vite), Node.js, Express.js, MongoDB, Tailwind CSS, Firebase Authentication, JWT, Google Gemini AI, Azure Form Recognizer, Nodemailer, RESTful APIs, Git, GitHub

- Developed material management functionality allowing students to upload, organize, and delete their own study materials.
- Implemented an administrator approval workflow so uploaded materials are reviewed before becoming visible to other users.
- Implemented role-based access control, restricting approval and content moderation functions to administrators.
- Developed schedule management with priorities, deadlines, and automated email reminders for exams and assignments.
- Built an AI-powered Study Plan Generator using subjects, study materials, schedules, deadlines, and learning goals.

Smart Campus Operations Hub - Booking Management (Leader of this Project)

Technologies: Spring Boot (Java), React.js (Vite), MySQL, Tailwind CSS, Spring Security, JWT, RESTful APIs, Git, GitHub

- Developed a campus resource booking system with approval workflows, conflict detection, and status tracking.
- Implemented QR code verification for secure booking validation and booking details retrieval.
- Built RESTful APIs with Spring Boot and responsive user interfaces using React.js.
- Implemented role-based authentication using Spring Security and JWT.
- Managed booking history, resource availability, and user friendly booking features.

Cafe Billing and Inventory System (MERN Stack) - Customer Management

Technologies: MongoDB, Express.js, React, Node.js

- Developed a customer management module with complete CRUD operations for maintaining customer records.
- Created responsive React.js interfaces with client-side validation to enhance the user experience.
- Designed and implemented RESTful APIs using Express.js and Node.js for seamless frontend-backend communication.
- Integrated MongoDB to efficiently store, retrieve, update, and manage customer information.
- Implemented search and filtering functionality to improve customer data accessibility.

Telecommunication Customer Care System - Feedback Management

Technologies: HTML, CSS, Java, MySQL

- Built a feedback management module with full CRUD functionality
- Stored and managed customer feedback using MySQL database

Hotel Reservation System - Payment Management

Technologies: HTML, CSS, JavaScript, PHP, Apache Tomcat

- Developed a payment module with form validation and backend processing
- Handled user input and transaction workflow
- Integrated frontend with backend logic using PHP

SOFT SKILLS

- | | |
|------------------------------|-----------------------------------|
| • Problem Solving | • Adaptability and Quick Learning |
| • Analytical Thinking | • Critical Thinking |
| • Attention to Detail | • Leadership |
| • Communication Skills | • Self Motivation |
| • Teamwork and Collaboration | |
| • Time Management | |

EXTRA CURRICULAR ACTIVITIES

- Member – School Eastern Band
- Club Member - Leo Club of SLIIT
